

Ignoring DNT on Lawless Analytics

What if you want to track everyone and skip the DNT setting? It is possible to do that as well if you are a website owner.

To ignore the DNT and to also track those visitors, simply add `data-ignore-dnt="true"` like in the following example:

```
<script async src="https://analytics.lawless.world/pixel/12345678910111213" data-ignore-dnt="true"></script>
```
