

The display area

Note: The display area contents are different for each app. The following is a schematic representation.

The display area type unknown

Content

- A list of app specific objects: emails, contacts, appointments, tasks, files
To adjust the list width, hover over the line between the list and the detail view.
- On top of the list, control elements for selecting or sorting objects are displayed.
- The details of the object selected in the list, are displayed in a detail view.
If double-clicking on an object in the list, the content will be displayed in a window.
- To select multiple objects, enable the **Checkboxes** option in the **View** drop-down in the toolbar.
You can also use your system's multi selection functions.

You can change the view in the display area by clicking on **View** in the toolbar.
