

# The search bar

**Note:** The search bar contents are different for each app. The following is a schematic representation.

The search bar

In order to display the search bar, click on **View** in the toolbar. Enable **Folder view**.

## Content

- Input field for the search term

As soon as clicking into the input field, additional functions are displayed in the search bar.

- **Cancel search** icon. Finishes the search.

- Functions for selecting the folder to be searched

- **Options** icon. Opens a menu with app specific parameters for controlling the search.

Depending on the app, additional drop-downs for controlling the search are available.

- **Online help** icon. Displays a context-sensitive help.

The search result is displayed in the display area.
